The only thing I did not include was the ECA because they are not stored in the database by Academic Year-Semester. I'm going to have to think about how to add the ECAs.

I'll work on 2016 FALL tomorrow. I will also update the Word document.

All,

Attached please find the results of the data call for your review. You will note that there are two runs of the Brigade data; one for the Fall and one for the Spring. The Fall list allows us to see who made the Dean's, Dant's and Supt's list at the end of the term. The Spring run shows who is a Striper.

Based on the results, I would draw your attention to the following MIDN:

- MIDN 1/C (b) (6)
  - (b) (6)
  - Economics Major
  - (b) (6)
  - Dant's list
  - (b) (6)

  - Math Major
  - Dana's list

  - Oceanography Major

Patti,

Great chatting with you today. As discussed, here are the spreadsheets to support your discussion with NAAA and USNA. The NAAA spreadsheet has just Varsity and JV athletes. The USNA one lists all members of the Brigade and the Foundation School attended, without all the other data call stuff.

Good luck!
